

SOUTHWEST PALEONTOLOGICAL SYMPOSIUM

Proceedings
Volume 1
November 15, 1997

Presented by
Mesa Southwest Museum
and
Southwest Paleontological Society

Bulletin no. 5 (1997 Proceedings)

Brian Anderson, Deb Boaz, and Dr. Robert D. McCord, eds.

This volume was produced as a companion to the Southwest Paleontological Symposium convened at the Mesa Southwest Museum in 1997. The book represents the first Southwest Paleontological Society (SPS) professional meeting in which the scope of presentations was broadened to include paleontology of the greater southwest region rather than focusing exclusively on Arizona. 89 pages.

Southwest Paleontological Symposium Proceedings

Mesa Southwest Museum Bulletin No. 5

Table of Contents

A New Fossil Locality in the Mountain Springs Formation, Virgin Mountains, Nevada (or What to do with Fragmentary Fossil Material)

Heidemarie G. Johnson
Northern Arizona University, Flagstaff, AZ

Lower Chinle Group (Adamanian:Latest Carnian) Tetrapod Biostratigraphy and Biochronology, Eastern Arizona and West-Central New Mexico

Andrew B. Heckert
University of New Mexico, Albuquerque, NM
Spencer G. Lucas
New Mexico Museum of Natural History and Science, Albuquerque, NM

Stratigraphy, Paleontology and Biochronology of the Upper Triassic Chinle Group in East-Central New Mexico

Adrian P. Hunt
Mesalands Dinosaur Museum, Mesa Technical College, Tucumcari, NM
Spencer G. Lucas
New Mexico Museum of Natural History and Science, Albuquerque, NM

Cranial Allometry in *Coelophysis*: Preliminary Results

David K. Smith
Pima community College, Tucson, AZ

Phytosaur from the Wingate Sandstone in Southeastern Utah and the Triassic-Jurassic Boundary on the Colorado Plateau

Spencer G. Lucas
New Mexico Museum of Natural History and Science, Albuquerque, NM
Andrew B. Heckert
University of New Mexico, Albuquerque, NM
Orin J. Anderson
New Mexico Bureau of Mines and Mineral Resources, Socorro, NM
John W. Estep
New Mexico Museum of Natural History and Science, Albuquerque, NM

Sauropods from the Morrison Formation, Gunnison, Colorado

Rebecca Bailey
Western State College of Colorado, Gunnison, CO

Jo Wixom
Western State College of Colorado, Gunnison, CO

Ontogenetic Changes in Bone Histology in the Late Jurassic Dinosaur *Allosaurus fragilis* (abstract)

Paul J. Bybee
Utah Valley State College, Orem, UT

Did Theropods Have Lips?

Tracy Ford
Poway, CA

Preliminary Investigation of a Possible Theropod Trackway in the Hell Creek Formation of Harding County, South Dakota
(abstract)

Debra R. Boaz
Southwest Paleontological Society, Mesa, AZ
Michael Triebold
Triebold Paleontology, Woodland Park, CO
Paul Janke
Pan Terra Inc., Hill City, SD
Clifford L. Nystrom
Southwest Paleontological Society, Grand Forks, ND

Geometric configuration of Ophiomorpha as Paleoenvironmental Indicators: and Analysis Using Burrow Orientation
(abstract)

Brian G. Anderson
Mesa Southwest Museum, Mesa, AZ

Mold Making Mania

Michael Lee
Flandreau Planetarium, University of Arizona, Tucson, AZ

Preliminary Statocladistic Analysis of North American Tortoises (Genus *Gopherus*)

Robert D. McCord II
Mesa Southwest Museum, Mesa, AZ
