

Proceedings of the  
**Fossils of Arizona Symposium**

November 18, 1995

Presented by  
MESA SOUTHWEST MUSEUM and SOUTHWEST PALEONTOLOGICAL SOCIETY

**Bulletin no. 3 (1995 proceedings)**

Debra Boaz, Susan Bolander, Peggy Dierking, Michael Dornan, and B.J. Tegowski, eds.

Produced in conjunction with the 3<sup>rd</sup> annual Fossils of Arizona Symposium convened by the Southwest Paleontological Society (SPS) and the Mesa Southwest Museum in 1995. The volume continues the focus on Arizona paleontological research with contributions from professional scientists, students, and avocationists. 111 pages.

VERY LIMITED AVAILABILITY

## **Mesa Southwest Museum Bulletin No. 3**

### **Table of Contents**

---

Devonian Fossil Fish from Central Arizona

Heidemarie G. Johnson  
Northern Arizona University

---

Transitional Lithology and Paleofauna for the Escabrosa and Redwall Limestone Contact in Central Arizona

Chris Schur  
Southwest Paleontological Society

---

Paleontology of the Surprise Canyon Formation (Mississippian) in Grand Canyon, Arizona

Stanley S. Beus  
Northern Arizona University

---

Taphonomy of Fossil Plants in Petrified Forest National Park, Arizona

Timothy M. Demko  
Colorado State University

---

The First Dinosaurs in Arizona

Edwin H. Colbert  
Museum of Northern Arizona

---

In-Progress Dinosaur Excavation in the Mid-Cretaceous Turney Ranch Formation, Southeastern Arizona

David W. Thayer  
Curator of Geology, Arizona Sonora Desert Museum  
Ronald P. Ratkevich  
Paleontologist, Arizona Sonora Desert Museum

---

Marine Reptiles from the Upper Cretaceous Mancos Shale, Black Mesa, Northeastern Arizona

Grace V. Irby  
Museum of Northern Arizona

---

The Paleoenvironments of Cretaceous Rocks in East-Central Arizona

Douglas G. Wolfe  
ASL Hydrologic and Environmental Services

---

Arizona's Place in Late Cretaceous Biogeography

Robert D. McCord II  
University of Arizona

---

Problems and Speculations in Mammalian Paleocology and Evolution: Western North America During the Paleogene

Richard K. Stucky  
Denver Museum of Natural History

---

Quaternary Geochronology and Distribution of *Mammuthus* on the Colorado Plateau

Larry D. Agenbroad, Northern Arizona University

Jim I. Mead, Northern Arizona University
